

loader/include\_manual  
/string\_custom.h

```
graph TD; A[loader/include_manual/string_custom.h] --> B[stddef.h]; A --> C[stdint.h];
```

The diagram illustrates a file inclusion relationship. At the top, a gray rectangular box contains the text 'loader/include\_manual' followed by a line break and '/string\_custom.h'. Two blue arrows originate from the bottom edge of this box. The left arrow points diagonally down and to the left to a white rectangular box containing the text 'stddef.h'. The right arrow points diagonally down and to the right to another white rectangular box containing the text 'stdint.h'.
